

United Hatzalah's (UH) 8,000 volunteer medics throughout Israel—men and women, Jews, Muslims, Christians, and Druze—deliver critical emergency care for free to anyone who needs it, regardless of race or religion, in 3 minutes or less (90 seconds in major cities). It relies exclusively on donations. UH has had 1,700 volunteer medics, including founder Eli Beer, in Southern Israel since the early morning of October 7th saving numerous lives.
